Dear Friends,

Welcome to the 7th Annual GAUNTLET Award Ceremony. The GAUNTLET Business Program and Competition™ is a community-wide endeavor powered by the Advancement Foundation. The "beta program" began seven years ago in the Town of Vinton with 15 entrepreneurs, 10 mentors, and \$12,000 in cash and in-kind awards. The program continued to grow through support of the Community Business Launch grant funded through the Department of Housing and Community Development and many key sponsors including our lead sponsor State Farm. Today we **celebrate a growing entrepreneurial network of over 650 Gauntlet Alumni and 250+ mentors.**

We are proud to partner with administrators, economic developers, and community leaders across a diverse array of localities including: Alleghany County, Covington, Clifton Forge, Bedford County, Town of Bedford, Forest, Big Island, Lynchburg, Botetourt County, Buchanan, Fincastle, Troutville, City of Roanoke, Roanoke County, Town of Vinton, Salem, Rockbridge County, Lexington, Buena Vista, Glasgow, Montgomery County, and Floyd County.

TAF and many community leaders have worked tirelessly each year to refine strategies that engage all community stakeholders to harness knowledge and resources that will fast track talented entrepreneurs with great business ideas. The GAUNTLET is a proven program that cultivates ALL types of business development including Main Street businesses, early stage high growth potential companies, and part-time innovators. The distinctive power of the program is the action-oriented approach that sets entrepreneurs on a path to customer discovery, proof of concept, business strategy planning, and connections to a network of mentors and entrepreneurs.

The GAUNTLET and other programs led by TAF provide highly visible opportunities that attract diverse entrepreneurs. Through these programs we have awarded over \$1.5 million in financial and in-kind resources. In addition, TAF has provided access to \$500,000+ in low or no interest loans. In return, these businesses have created 400+ jobs, leased and purchased \$1.6 million in commercial real estate, and provided much needed tax revenues for the communities we serve.

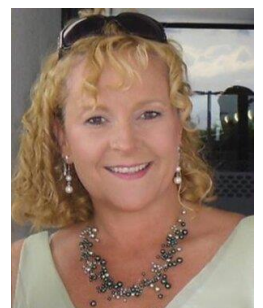

The GAUNTLET program has been recognized as the most effective business and community development program across the region and state. In fact, the GAUNTLET is Virginia's largest business program and competition!

It is our sincere privilege to lead this expansive cross-regional collaboration. We are grateful for all your support and hope that you will continue to contribute your time, talent, and treasure to this important endeavor.

Best Regards,

Annette

Dear Entrepreneurs, Mentors, Sponsors, and Friends,

On behalf of the Advancement Foundation's Board of Directors, we would like to thank you for joining us for the 7th Annual GAUNTLET Awards Ceremony. During these uncertain times we continue to find significant hope for our future in the passion of our entrepreneurs, innovators, and committed community leaders.

The Foundation's vision is to accelerate economic prosperity and equality for diverse entrepreneurs across diverse communities. This vision calls us to create bold opportunities that ignited innovation and strategic investment in business development. TAF is grateful to key partners who share our vision for thriving communities such as our lead sponsor State Farm who has committed to grow the program with both critical financial support and the incredible volunteerism of its agents across the region.

The 2021 GAUNTLET class of nearly 150 participants made a true commitment to explore their business concept and their own fortitude in the midst of the COVID pandemic. They attended classes, conducted customer discovery interviews, and learned to make the case for their business concepts. Likewise, over 250 mentors, faculty members, community leaders, resource agencies, institutions of higher education, chambers, SBDC, SCORE, and more than 100 corporation/individual donors joined forces to do the heavy lifting by providing awards, teaching business concepts, and sharing knowledge and honest feedback to execute the GAUNTLET program.

We are grateful to each of you for your commitment to the GAUNTLET program. We look forward to recognizing the hard work and dedication of our GAUNTLET 2021 Alumni.

A Message to the 2021 GAUNTLET Graduates,

The Gauntlet often spurs entrepreneurs to consider how their past experiences play into their new business endeavors. I would like to share a lesson I learned during the 7th round of The Gauntlet and the importance of pushing through fear, or the terror barrier, by surrounding yourself with the right people.

The Gauntlet is an innovative program and each year we push the envelope with new and exciting projects for our entrepreneurs. Directing innovative work can be scary! I have tread through self-doubt and had to fight that worry whispering in my ear more than a few times. I know you all can relate. However, with people around me that are demonstrating drive and success even when they are facing their own terror barriers, I have been able to walk a more strategic path by working with others through encouragement and shared solutions.

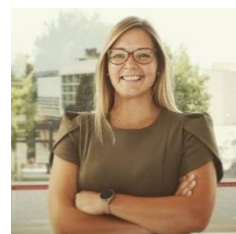

I encourage each of you to stay connected with each other and encourage each other to keep pushing through fear – innovation can be scary but together we are stronger!

Thank you for all your support and encouragement! I cannot wait to see all your successes for years to come!

Onward and Upwards,

Shannon
