**Let Us Help Ignite YOUR Future  
By Connecting the Pieces**

Andy, Jason, and Barry began brewing in Andy's kitchen just for fun — AND people loved it! They started winning brewing competitions.

The guys realized they had something special but they did not know exactly what to do about it.

So what did they do ?

They entered The GAUNTLET Business Program and Competition™. With the knowledge, mentorship, and resources they gained, they surpassed their three year business plan in just 6 months.

Now they have 2 locations and are focused on expanding their distribution.
