About: The Advancement Foundation (TAF) is a regional intermediary organization for 4 agencies, hosting 15 AmeriCorps Members. The strategy, which will holistically address the needs of multiple demographics, includes bringing together nonprofit, educational institutions, and local government agencies to address community needs. Members will be serving in what the Virginia Initiative for Growth and Opportunity has identified as Region 2. This region has a total population of 777,919; an unemployment rate of 4.1% and the median income level for the area is \$38,900. TAF has identified partners that feed into the bottom line of enabling communities to participate more fully in Virginia's economic growth.

Objective: Member will support activities designed to enhance life skills, wellness, workplace readiness skills and expand service learning through civic engagement opportunities that personal confidence and skills for entrepreneurs. The Member will provide financial literacy training and tools designed to improve financial security. They will also engage economically vulnerable adults in efforts to expand employment possibilities leading to positive employment and educational outcomes.
